DOMINATORS BASEBALL

The Dominators Baseball Club was founded in 1994, as a single team. Today, we have eight teams, ages 8 thru 14, and approximately 94 players.

Teams compete at the highest level, playing 50 to 80 games per season, including competing at local, state, regional, and national tournaments. Most players go on to play baseball in high school, American Legion, and many go on beyond that.

The cost of maintaining a select baseball club is significant. Expenses include uniforms, equipment, field rentals, insurance, tournament and umpire fees, travel expenses, etc. It is quite expensive, but well worth it.

The Dominators are very proud of the players that represent our organization, city, state, and sport. Please invest in these terrific young athletes, baseball, and our future, by sponsoring Dominators Baseball.

On behalf of our coaches, families, and, most of all, the players, thank you for your consideration and support. It is sincerely appreciated!
